

KUANG SI

<https://www.2thepointnews.com/kuang-si-2/>

In the jungles of Laos less than 20 miles from the Laotian Royal Capital of Luang Prabang, you will find the entrancing waterfalls of Kuang Si. Multi-layered cascades of emerald green pure water pour into a series of pools ideal for swimming. The warm sun filters through the dark green jungle canopy. The laughter of Laotian children combined with that of the rushing waters adds to a unique serenity. Here is a place that will wash away all your woes.
