

THE PRESIDENT’S MESSAGE TO AMERICA TODAY

<https://www.2thepointnews.com/the-presidents-message-to-america-today/>

So hard to think or report about anything else after watching the

Texas school “massacre” which took place yesterday. Thank you to the great wisdom and bravery of our Law Enforcement Professionals, and condolences to all who are suffering so gravely with the loss of those incredible souls so close to you. No words can express the sorrow and grief of this absolutely horrible event. It is a moment in time which will never be forgotten!
